SCHOOL POLICIES

- 1. I understand that my child must not be left on school grounds without supervision. I agree to walk my child into the school each morning and release my child to a teacher before leaving my child.
- I understand that all required forms must be completed and on file at the center before my child may attend.
- 3. I understand that no child may be released to anyone except parents/guardians without written permission. I understand that Learning Paths Academy will release children to either parent unless legal paperwork stating otherwise is provided to the Director. I agree to give to the center a list of all persons authorized to pick up my child.
- 4. I understand that no medication will be administered without written permission from parents.
- I agree to support and reinforce the school's rules and procedures that concern the health and safety of my child and other children.
- 6. I understand that the Director will notify me whenever my child becomes ill and I agree to pick up my child or make arrangements to have my child picked up by an authorized individual within one hour of notification.
- 7. I understand that my child cannot attend the school if he/she has any illness that threatens the health of other children. I understand that Health Department regulations concerning periods of infection will be enforced. I understand that my child must be fever and symptom free for 24 hours before returning to school after an illness. I also understand that prescription medication must be administered to my child at home for 24 hours before he or she can return to school.
- 8. I understand that I am required to inform the center within 24 hours or the next business day if my child or any member of my immediate household has developed any reportable communicable disease, as defined by the State Board of Health, except for life threatening diseases which must be reported immediately.
- 9. I understand that childcare services may be terminated for any of the following reasons:
 - My child's tuition account becomes more than two weeks in arrears.
 - Failure to respond in a timely manner when contacted by the center to pick my child when he or she is sick.
 - Failure to adhere to the 24-hour illness recuperation period.
 - Failure to notify the center, in advance, if my school age child will not be attending after school care.
 - Failure to provide the center with up-to-date emergency contact information for my child.
 - Learning Paths Academy does not receive parental support and help when a child is found to have a health, learning or behavioral problem. This includes failure to attend parent conferences, follow through with medical and/or educational specialists, or provide updated copies of appropriate documentation/care plan (such as IHP, IEP or IFSP).
 - My child's behavior threatens his or her own health and safety or threatens the health and safety of other children and staff.
 - Parents/guardians are no longer supportive of Learning Paths Academy program and philosophy and become negative and uncooperative in their actions and opinion which may undermine the operation of the school.
 - A child wanders, runs away from or otherwise leaves his/her designated classroom or safe area.

I have read the policies in the Learning Paths Academy Family Handbook and understand their application to me and my child.
